INTRODUCTION

Welcome to **HARDIK PRECISION AUTOMOTIVE INDUSTRIES LLP.** HPIL is a trusted Manufacturing and Trading company committed to delivering high-quality Automotive, industrial, engineering, packaging, FMCG, medical, and customized product solutions. Backed by a highly experienced team, advanced manufacturing capabilities, and all required regulatory compliances and business licenses, we provide end-to-end solutions from product development to final delivery.

With a strong network of domestic and international partners, we specialize in manufacturing, procurement, sourcing, contract manufacturing, and global trade services. Our expertise enables us to offer cost-effective, reliable, and customized solutions that meet the diverse requirements of customers across multiple industries.

HARDIK PRECISION AUTOMOTIVE INDUSTRIES LLP

Innovation, Quality & Trust Since -2016 | ISO Certified | Global Support

COMPANY PROFILE

We are committed to providing reliable, cost-effective, and technologically advanced solutions that meet the highest international quality standards. With a strong global presence and strategically located sales, engineering, and manufacturing operations across **India, China, & Germany**.

HPIL is well-positioned to serve customers worldwide with efficiency, consistency, and unmatched technical expertise.

Our strength lies in combining advanced manufacturing capabilities, strict quality control systems, and a customer-centric approach to create products that deliver superior performance and long-term reliability. From precision engineering to global supply chain solutions, we continuously strive to build lasting partnerships based on trust, quality, and innovation. At HPIL, we believe in shaping the future of automotive other industrial engineering through precision, technology, and excellence.

ONE-STOP GLOBAL SUPPLY & SOURCING PARTNER FOR INDUSTRIAL SOLUTIONS WORLDWIDE.

OUR MISSION

We are committed to minimizing waste, reducing environmental impact, and creating long-term value for our customers, partners, employees, and stakeholders. By embracing advanced technologies, maintaining the highest quality standards, and continuously improving our processes, we strive to deliver reliable, efficient, and future-ready automotive and engineering solutions that exceed global expectations.

OUR VISION

We aspire to transform HPIL into a world-class organization that delivers advanced, future-ready solutions by applying tomorrow's innovative thinking today. Through technology-driven excellence, product enhancement, and a strong commitment to sustainability, we aim to create long-term value for industries worldwide.

WE SERVE TO IN THESE INDUSTRIES

We specialize in delivering complete manufacturing, OEM supply, and international trade solutions for a broad range of industries, including Automotive, FMCG, Pharma & Healthcare, and White Goods

AUTOMOTIVE INDUSTRY

High-precision automotive and industrial engineering solutions, advanced Plastics parts & Molds & PP box manufacturing . Manufacturing, premium-quality precision automotive components and other industrial engineering products.

FMCG INDUSTRY

High-Quality PET Bottles, Container & Durable PP box manufacturing solutions for Pharma, FMCG, Automotive, any blow molding Products for all industry , Ensuring safe packaging, branding, and efficient delivery.

PHARMA & HEALTHCARE

Packaging solutions for the Pharma and Healthcare industries, specializing in premium-quality HDPE & PET bottles, PP boxes, customized packaging designs to meet diverse product and branding requirements.

WHITE GOODS INDUSTRY

We specialize in High-precision whitegoods and industrial engineering solutions, advanced manufacturing manufacturing, premium-quality precision components , PP box and other industrial engineering products

(IMPORT & EXPORT)

Import-export services play a vital role in global trade by connecting businesses worldwide. We offer complete purchasing, sourcing, and supply chain solutions for all industries.

PRODUCTS & SERVICES

We deliver end-to-end manufacturing, Injection Molding Plastics Parts ,Blow Molding Parts , Vacuum forming Parts , Customized PP box Packaging, and trading solutions for diverse industries including automotive, Pharma, FMCG, Healthcare, Engineering, and any Industrial sectors.

BLOW MOLDING

- PET & HDPE -TABLET CONTAINERS BOTTLES & JARS, PHARMA PACKING

VACUUM FORMING

- VACUUM FORMING PARTS & PACKAGING SOLUTIONS ALL INDUSTRY

PP BOX PACKING - CUSTOMIZED

- PP BOX PACKING - CUSTOMIZED FOLDABLE OR NON FOLDABLE

INJECTION MOLDING

- INJECTION MOLDS & PARTS-PLASTICS PARTS FOR ALL INDUSTRY

PRODUCTS & SERVICES

We deliver end-to-end manufacturing, Injection Molding Plastics Parts ,Blow Molding Parts,Vacuum forming Parts Customized PP box Packaging Customized Heat sink, and trading solutions for diverse industries including automotive Pharma, FMCG, Healthcare, Engineering, and Industrial sectors.

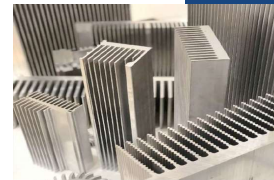

GLOBAL SOURCING & PROCUREMENT

- International Sourcing Solutions
- Complete Procurement Support.

WATER OVERFLOW STOPPER

- Water Overflow Stopper for Every Home
No Sound, No Electricity Required, German Technology

HEAT SINK MANUFACTURER

- ALUMINUM HEAT SINK MANUFACTURER
ALL INDUSTRY GOVT.& PVT.

COMPLETE MANUFACTURING, PACKAGING & IMPORT-EXPORT SOLUTIONS UNDER ONE ROOF

BLOW MOLDING PACKING SOLUTION

HARDIK PRECISION is a leading provider of innovative packaging solutions with over three decades of experience. We serve a diverse range of industries, including Beauty & Personal Care, Home & Household Products, Pharmaceuticals & Healthcare, and Food & Beverage. With a loyal customer base exceeding more brands, we have built a strong reputation for delivering high-quality, customized packaging that meets the unique demands of each sector Beauty & Personal Care, Home & Household Products Pharmaceuticals & Healthcare , Food & Beverage or any industries . We specialize in delivering fully customized solutions based on customer needs and technical requirements. Complete in-house capabilities covering design, engineering, tooling, and production under one roof.

END-TO-END PACKAGING SOLUTIONS FOR, PHARMACEUTICAL , HEALTHCARE FOOD & BEVERAGE, PERSONAL CARE , BEAUTY, HOUSEHOLD , AND PRODUCTS –TAILOR-MADE TO YOUR SPECIFICATIONS.

PP BOX PACKING SOLUTION

Hardik Precision manufactures high-quality Polypropylene (PP) Corrugated Boxes that serve as the perfect alternative to traditional cardboard and wooden packaging. Our PP boxes are engineered for durability, offering superior protection for your products during transit and storage.

1:-Designed for returnable packaging systems with hundreds of reuse cycles 2:-Resistant to moisture, chemicals, and impact damage
3:-Available with custom printing, inserts, partitions, and locking mechanisms 4:-Eco-friendly and 100% recyclable, supporting sustainable supply chains

Hardik Precision PP boxes are manufactured using state-of-the-art CNC cutting, ultrasonic welding, and Riveting technologies, Velcro to ensure precision and consistency across every batch. Whether you need small component boxes or large pallet-sized containers, we deliver custom solutions tailored to your exact requirements.

Salient Features:

Light Weight, Strong, Waterproof, Chemical Proof, Vermin Proof , Recyclable, Reuse, Printable, live Hinge, High Insulation, Easy Fabrication, Impact Resistant, Puncture Resistant, Tearing Resistant, Custom Made,

VACUUM FORMING PARTS & PACKAGING

Hardik Precision Vacuum Forming Parts & Packaging Solutions We specialize in the design, development, and manufacturing of high-quality vacuum formed parts and packaging solutions for a diverse range of industries, including automotive, electronics, medical devices, pharmaceuticals, consumer goods, food & beverage, industrial equipment, and retail packaging. Combining advanced thermoforming technology with precision engineering, we deliver products that offer exceptional durability, functionality, and visual appeal while meeting the highest industry standards. Our comprehensive capabilities extend from concept development and tooling design to prototyping, production, and final delivery, providing customers with a complete end-to-end solution under one roof.

CUSTOM HEAT SINK MANUFACTURER

HARDIK PRECISION is a specialized heat sink manufacturer dedicated to designing and producing custom thermal management solutions for the global advanced microelectronics and component industries. Our team of seasoned engineers and designers collaborates closely with clients to gain an in-depth understanding of their unique cooling requirements, delivering tailor-made heatsinks that ensure optimal performance and reliability. We utilize high-quality materials such as aluminium and copper, combined with advanced manufacturing processes including CNC machining, thermal simulation, and rigorous testing, to produce highly precise, efficient, and durable thermal solutions.

Our Equipment

HPIL Equips with 08 sets injection 4 blow molding machines from 80 T to 350 T for the mold tryout and volume production.

We can outsource the more than 350 T 2K injection machine .We can provide the full dimensional inspection report, tryout parameter report, part samples, and long-time continuous production and tool testing video Etc. based on the customer request.

Quality

HPIL is an ISO/ TS16949 & ISO 9001-2015 certified company , and all tools are built to the APQP standards, plus using German and Japanese steels, all components have to be closely inspected in climate-controlled environments prior to mold assembly to ensure the highest level of accuracy in every tool we built.

Our rigorous mold testing includes complete 1st article inspection report per customer supplied part drawing. In additional we can supply full capability studies to include dimensional PPAP report and Gage R&R testing. Upon the completion of sampling and part approval, each tool goes through a 100% final inspection before delivery.
